Hi Rick,

No. Overtime should only be used for this response.

Thanks,

One more question on this topic, can we use comp time for this work or must it be OT?

Hi Rick,

Did you receive the email yesterday that I sent out regarding the Site-Specific Charging for Gold King Mine? If not, I can resend it to you. Thanks.

Missy,

Do you know how we should be charging for any work done on the King Gold Mine spill?  
Looks like the lab will be getting some samples starting on Thursday, and working through this weekend.
